OVERVIEW

Era 2

Elegance in every detail

In Era 2, the original Era case has been refined and enhanced, furthering its distinctive architectural design and improving its cooling capability for a smoother gaming experience. With water cooling compatibility and ventilation on five sides, including a sleek, magnet-fastened panel in solid walnut, Era 2 is a small form factor case optimized for gaming. Its elegantly sculpted outer body is crafted with anodized aluminum and slides off in one piece to reveal an intuitive, well-constructed interior with space for a powerful GPU.

Key features

- ▶ Sleek, sculpted design with an anodized aluminum exterior and solid walnut top panel.
- ▶ Compatible with graphics cards up to 3 slots with 326 mm in length and 63 mm in thickness.
- ▶ Optimized for AIO watercoolers with support for radiators up to 280 mm.
